<b>Mexico</b>	2.0	\$0.5
<b>Philippines</b>	1.3	\$0.3
<b>South Korea</b>	1.1	\$0.3
<b>All Markets</b>	22.0	\$5.7

## Export Importance:

The U.S. exports five classes of wheat. **Hard red winter** is the United States' number one export by class (42% of total exports). **Hard red spring** is primarily sent to Asian markets. **White wheat** is destined for markets in Asia and the Middle East (particularly Egypt). **Soft red winter** is exported to Latin America and North Africa. **Durum** is shipped to the European Union and North Africa.
